**From Office of the Managing Director:**

**Greetings from College of Medical Sciences Nepal**

I am glad to inform you that our 15<sup>th</sup> Batch MBBS session is starting from Aug/Sep 2010. I would like to invite you to visit our Website for more details ([www.cmsnepal.edu.np](http://www.cmsnepal.edu.np)). However we would like to invite you in Bharatpur to see the actual working condition of this institution.

Now the institution is headed by Prof. G. Subramanyam, M.D., D.M. (Cardiology) as Director of the College of Medical Sciences, after his retirement as Director/Vice Chancellor from Sri Venkateswara Institute of Medical Sciences (SVIMS) Tirupati which is a renowned autonomous University established by Tirumala Tirupati Devasthanams (TTD) and Govt. of Andhra Pradesh by an act of Legislature.

The International Society for Medical Education Pvt. Ltd (ISME Pvt. Ltd.), having an agreement with the Govt. of Nepal, established the College of Medical Sciences at Bharatpur in the year 1994 and is one of the **premier private Medical College in Nepal**

The institution has world renowned faculty to instruct your wards with all amenities and I am sure you can rest assured about the teaching of your children in their hands so that they become a good competent medical graduate and a good citizen as well. The college has a world class 1050 bedded teaching hospital with well experienced faculties. In fact the students are exposed to clinical material from the day one to develop clinical acumen and to become a competent doctor.

- § It is permanently affiliated to the Kathmandu University.
- § Fully recognized by the Nepal Medical Council.
- § Recognized by Sri Lanka Medical Council.
- § Recognized by General Medical Council (UK).
- § Enlisted in WHO's World Directory of Medical Schools and International Medical Education Directory (ECFMG -U.S.A).
- § Eligible to appear in MCI screening test

**National & International Collaboration:**

The college has been coordinating and collaborating with various national teaching Institutions like Institute of Medicine (TUTH), B.P. Koirala Institute of Health Sciences, Dharan, Gangalal National Heart Centre, Bir hospital, National Neuro centre, B.P. Koirala Memorial Cancer Hospital, Bharatpur Eye Hospital, Govt. Hospital of Bharatpur. The college has also liaison with the Royal College of Physicians of Edinburgh and the Armed Forces Research Institute of Medical Sciences, (AFRIMS) Bangkok, Thailand. Joint research projects related to local health problems are already under taken with collaboration of these institution. The college already extending cooperation to the local practicing medical professionals, private hospitals and NGOs.

Medical College actively participating in Government Health Services programs. e.g. the Family Welfare Planning & Ophthalmic Care, Immunization and Tuberculosis control etc.

**Academic Programmes and Session:**

1. Our college is established in 1996. The first batch MBBS has graduated in 2001 and since then college has produced nine batches of MBBS doctors so far. Most of our graduates are already enrolled in postgraduation and superspecialization

program in different renowned national and international institutes. Their scores are commendable in USMLE (USA), PLAB (UK). And also passed their MCI Screening Test with 100% success rates. The 10<sup>th</sup> batch students are doing their compulsory rotatory internship.

The average pass percentage of students is above 92%. The admission takes place annually in July/August with 150 students of which 20% are Government of Nepal nominees. **The CMS is the first Medical College in Nepal to have 150 admissions at a stretch from August, 2007 as recommended by the Kathmandu University and Nepal Medical Council.**

2. The P.G. admission in M.D., M.S., M.Sc. started from the year 2000. Now there are two admissions in each subject every year in M.Sc. (Medical) Biochemistry, Physiology, Anatomy and Microbiology and one/two admission of M.D./M.S. in Anatomy, Physiology, Pathology, Pharmacology, Microbiology, Forensic Medicine and Community Medicine. The P.G. admission in all the clinical subjects has started from February/March, 2007 admitting 2/3 candidates in each subject of Medicine, Surgery, Paediatrics, Obstetrics & Gynaecology, Dermatology, ENT, Ophthalmology, Orthopaedic, Anaesthesia and Radiology. From 2009, the NMC and the KU recommended for admission of the Post Doctoral students in D.M. (Neurology) and in the year January, 2010, the KU has given approval for admission of one Post Doctoral student in D.M. (Cardiology), D.M. (Nephrology), M.Ch (Urology) and M.Ch. (Cardiothoracic and Vascular Surgery). The 1st batch Post Graduate examination was conducted in Medicine, Obstetrics & Gynaecology and Paediatrics in the month of March, 2010 and all the students have passed with 100% results. Within a short period, we are having plans to start M.Ch. in Gastro Intestinal Surgery and D.M in Gastroenterology. **Our Institution is the first in the country to start D.M. (Cardiology), D.M. (Neurology), D.M. (Nephrology) and M.Ch. in CTVS and Urology.**

The Post Graduate Admissions takes place in the month of February & August and the Kathmandu University and the Nepal Medical Council recognize it.

**TEACHING HOSPITAL:**

The Teaching Hospital is of 1050 beds with 30 beds for Post Doctoral students in Cardiology, Neurology, Nephrology, Urology and Cardiothoracic & Vascular Surgery. The Hospital has beds for all the disciplines of Medicine and Surgery as necessary for the curriculum of the K.U. The Hospital bed occupancy rate is above 70% in an average. The Medical College provides facilities from routine examination of blood and body fluids to C.T. Scan, MRI, Echo, TMT, Holter and sophisticated Biochemical Investigation procedures. Catheterisation Laboratory and Open Heart Surgeries will be started soon. The Department of Neurology is very active with regular academic activities and investigative procedures like EEG, EMG, and ENMG are being done. The Department of Urology is very actively involved in various surgical procedures and the renal transplantation will be done soon. The Institution caters the health care needs of nearly 2.5 million populations. The tertiary Medical Care facility is well reputed in the country. Apart from the services rendered to the population, faculties are involved in active research

and quality medical education to the Medical Students of Undergraduates, Post Graduates and Post Doctoral Programmes.

The college is housed in an ultramodern building, with state of art equipments. The students are of multi-ethnic origin and live in harmony under the same roof committed to professional competence and excellence.

The faculty members are the elites of their respective field of specialization some of the professors are the Authors of Medical text books and they are committed to a holistic development of the students to become useful doctors to the society.

#### **Eligibility Requirements:**

- § He/She should have completed 17 years of age.
- § A minimum aggregate of 50% marks at the 10+2 or equivalent examination.
- § At least pass marks in : English (E), Physics (P), Chemistry (C) and Biology (B). A minimum of 50% aggregate in PCBE together
- § If a student has a compartment in any subject, the marks obtained in theory are considered for scrutiny and eligibility.
- § There is no upper age and even students who have passed their XII standard or equivalent, years back are eligible for admissions.
- § The medium of instruction is English.

The above mentioned requirements are according to the Medical Council of India specifications.

#### **Eligibility Requirements for International Students :**

There is no entrance examination. SAT/TOEFL is not required.

**Note:** To calculate eligibility we take the mid point of each grade and this should total up to an aggregate of atleast 50% in all the subjects taken at "A" levels and also when adding the grade for English at "O" level.

#### **Grades & Marks Equivalence :**

Srilanka GCE 'A' & 'O' level grades	– valid from 2002
Distinction (A) : 75-100% Mid point	– 87.5
Very Good Pass (B): 65-74% Mid point	– 69.5
Credit Pass (C) : 50-64% Mid point	– 57
Ordinary Pass (S) : 35-49% Mid point	– 42

#### **London 'A' & 'O' level grades :**

Grade (A):	80% and above Mid point	– 90
Grade (B):	70-79% Mid point	– 74.5
Grade (C) :	60-69% Mid point	– 64.5
Grade (D):	50-59% Mid point	– 54.5
Grade (E) :	40-49% Mid point	– 44.5
Grade (N) :	35-39%	

To calculate eligibility we take the mid point of each grade and this should total up to an aggregate of at least 50% in all the subjects taken at "A" levels and also when adding the grade for English at "O" level. In case the marks do not tally upto 50% when using the mid points of each grade range, we advise students to apply to their boards and ask for actual marks.

The Boards then send the marks to us, in confidence. The student may prove to be eligible if he/she has obtained a higher score than the mid point of the grade and the total adds up to be 50% or more.

#### **Provisional Admission:**

Students are requested to apply with photocopies of their 10+2, A & O level grade sheets.

Please write your postal address, email address/ phone/ fax num-

bers on the admission application. On receiving the photocopies of the mark sheets, if the student is found eligible, provisional admission will be offered. A seat may be reserved on receipt of the first installment.

#### **Communication:**

For faster correspondence, students may fax or courier photocopies of their X and XII standard mark sheets. Please ensure that the covering letter with the application have your postal address/ email/phone/fax number.

Please write your postal address, email address/ phone/ fax numbers on the admission application. On receiving the photocopies of the mark sheets, if the student is found eligible, provisional admission will be offered. A seat may be reserved on receipt of the first installment.

#### **Confirmed Admission:**

Confirmed admission letter will be sent after the First installment. The letter may be used for a student visa for International students and for Indian citizens visa is not required.
